

Boar's Head and Yule Log Festival Donations

Your donation to AHCC's Boar's Head and Yule Log Festival supports this magnificent gift from AHCC to the community, and helps fund enhancements to the majesty and spirituality of the production. Each year, new costumes, props, animals, performers, musical composition and instruments, special effects and other elements are added or re-designed.

Please consider making a donation, and enjoy the benefits listed below. New this year are several exciting donor perks including patron tickets, reserved parking, and a copy of the new photography book, *A Connecticut Christmas*, featuring AHCC's Festival. You can also make a contribution to fund tickets to be donated to various agencies in the Asylum Hill neighborhood (outreach seats).
